DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Amendment, filed 10/18/04, with respect to claims 1-9 have been fully considered and are persuasive. The rejections of claims 1-9 have been withdrawn.

Reasons for Allowance

2. Claims 1-9 are allowed over the prior art of record.
3. The prior art does not teach or suggest "automatically analyzing the scanned digital image to determine the likelihood that materials related to third party products will be of interest to the user by recognizing features which relate to such third party products , such features being selected from the group consisting of product trademarks, product trade dress, and other products which are related to the third party products; and selecting one or more third party items of product materials based on their likelihood of interest to the user and sending them to the user for display or printing".
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
